## MT2C

Mesa's tutors are educational professionals who are eager to help you succeed and guide you through college.

Mesa students from all academic backgrounds benefit from tutoring.

Come visit us for FREE one-on-one or group tutoring!

## Learning Resource Center (LRC)

per hour

## How to Become a General Tutor?

### **EDU 100 course is required.**

EDU 100 is a one unit, three-week hybrid course, paid for by the student.

- It's required for all prospective General Tutors
- Two class meetings for 4.5 hours each
- Online homework and discussion boards
- Observation of current tutors at work

For more info about this course, please contact:

- **Sim Barhoum** | [sbarhoum@sdccd.edu](mailto:sbarhoum@sdccd.edu)

## Classroom Tutoring Program

To work alongside a professor in class, prospective Classroom Tutors must:

- Submit an application
- Be selected to participate
- Attend free training sessions as directed

For more info about the Classroom Tutoring Program, please contact:

- **Cynthia Short** | [cshort@sdccd.edu](mailto:cshort@sdccd.edu)
